

**“It’s vital to have a true expert
on board for R&D tax relief
for our clients.”**

Paul Knight - MD, Honey Barrett Chartered Accountants

THE CLIENT

Honey Barrett Chartered Accountants offer a broad range of high quality, specialised services to businesses, individuals and medical professionals. Their emphasis is on strategic partnerships and looking at a client's whole business, not just the books.

They have offices in Bexhill-On-Sea, Eastbourne and Wadhurst in East Sussex.

THE R&D TAX RELIEF SERVICE

Paul Knight at Honey Barrett said *"we had Simon Bulteel from Cooden Tax Consulting on board from the start of doing R&D tax relief for our clients. He has done very well indeed and it is absolutely best to have an expert on board. This is clearly an area of specialism."*

Cooden Tax Consulting offers a white label service to Honey Barrett for all their research and development claims.

THE SOLUTION

Honey Barrett has an ongoing rolling contract with Simon and an agreement on fee splits for successful claims.

There is a no claim, no fee structure – so there is no risk to the accountancy firm using Cooden Tax Consulting's services.

THE £127k SAVING

All R&D tax relief claims undertaken by Simon at Cooden Tax Consulting have been processed on time and been completely successful.

Paul added *"since 2014 R&D claims have reached a value of £127k for a range of clients. This has included manufacturers of urban environment products and an IT company."*

Simon Bulteel said *"the benefit for a firm of accountants, using our white label service, is that it demonstrates that they are a forward-thinking firm, offering a specialist service for their clients. The team at Honey Barrett have a very diverse client base and I have really enjoyed working with Paul and his team."*
